Doggie Stylz Pet Grooming & Pet Sitting

Doggie Stylz is a home environment facility that is heated and cooled to keep your pet comfortable while they stay. The animals are allowed to play and interact with each other as long as they get along. The pets are let out to go to the bathroom on a regular schedule and fed according to your current feeding schedule. Pets are always fed in kennels away from other animals and they are always kenneled at night while they sleep for their safety and other animal's safety.

Space is limited and spots fill up quickly so if you know ahead of time the date

when you may need a pet sitter reserve your spot as soon as possible. I do not charge for cancellations but I do ask that you let me know as soon as possible so I can open the spot back up for others that may need it.

I do require that your pet be fully vaccinated with Rabies, Distemper, and Bordetella. I do require proof of this before I can watch them, as this is to ensure that all animals here are safe.

If I notice that your pet has fleas while they are staying at my facility I will have to treat them for this and there will be a charge for the treatment. This is for the safety of all the other animals staying here while your pet is here.

I provide kennels, dishes and bedding for your pet while they stay. You are welcome to bring your own bed if you wish but sometimes other pets can be disrespectful of other pet's property and I cannot be responsible if something happens to it.

If you wish to have your pet groomed while they stay let me know ahead of time so I can plan for this. The charge for this will be in addition to your pet sitting rates.

Daycare:

1-2 days per week = \$12/day

3-5 days per week = \$10/day

Pet Sitting Rates

Overnight:

\$20 per night per animal

\$2 additional per holiday per animal

\$2 additional if medication needs to be administered
